

THERE'S SOMETHING ABOUT THAT NAME

C            Am            Em  
Jesus, Jesus, Jesus;

                         F                            G                            C  
There's just something about that Name!

C            Am            Em  
Master, Savior, Jesus,

                         F                            G                            C  
Like the fragrance after the rain;

C            Am            Em  
Jesus, Jesus, Jesus

                         F                            Dm                            E7  
Let all Heaven and earth proclaim;

A                    A7                            D7  
Kings and kingdoms will all pass away,

                         Dm                            G7                            C  
But there's something about that Name!
