Be still and know that He is God
D **G**
Be still and know that He is God
A **D**
There is no other, there is no other

Nothing in this world, can satisfy me
D **Em**
Jesus You alone, can fill me up
D **G**
I could gain this world and all its treasures
D
But all those things
Em
would never be enough

D **G**
It is Your love, it is Your goodness
Em **A**
It is Your kindness and compassion
G **A**
That fills me up inside
D **G**
It is your praise and tender mercy
Em **A** **D**
It is your presence in my life that satisfies

D **G**
Be still and know that He is God
D **G**
Be still and know that He is God
A **D**
There is no other, there is no other
