

One day to late

C I never thought I'd see the day / **F** when you'd come to kneel and pray,

G I never thought that I would see / **C** the churches filled to capacity,

And still outside the door there's more / **F** who've never been before

C Oh wat a shame, Jesus came / **G** **C** one day before

Chorus

F
And you came, one day to late / one day to late,
C

G
Jesus came / and you've been left behind to wait,
C

F
Yesterday you couldn't find / time for Jesus on your mind
C

G **C**
You finally came / to call His name / but one day to late

C You tried to live the best you could / **F** tried to do the things you should,

G **C**
But when it came to serving God / you said "I still have time to wait",

F
But now it's all been turned around / time for serving God you've found

C **G** **C**
How sad the fate, you found the time / but one day to late
