

Precious Lord

E **A**
Precious Lord, take my hand, lead me on, let me stand
E **B7**
I'm tired, I'm weak, I am worn
E **Em**
Through the storm, through the night,
A
lead me on to the Light
E **B7** **E**
Take my hand precious Lord lead me on

E **A**
When my way grows dear, precious Lord, linger near
E **B7**
When my life is almost gone
E **Em**
Hear my cry, hear my call
A
Take my hand lest I fall
E **B7** **E**
Take my hand precious Lord lead me home

E **A**
Precious Lord, take my hand, lead me on, let me stand
E **B7**
I'm tired, I'm weak, I am worn
E **Em**
Through the storm, through the night,
A
lead me on to the Light
E **B7** **E**
Take my hand precious Lord lead me on
