

Victory in Jesus

D I heard an old, old story, how the **G** Saviour came from **D** glory
How He gave His life at Calvary, to save a wretch like me
D I heard about His groaning, of His precious blood's atoning
Then I repented of my sins and won the victory

D **Oh victory in Jesus, my Saviour for ever**
He sought me and brought me with His redeeming blood
He loved me ere I knew Him and all my love is due Him
He plunged me to victory, beneath the cleansing flood

D I heard about His healing, of His **G** cleansing power **D** revealing
How He made the lame to walk again, and caused the blind to see
D And then I cried, "Dear Jesus, come and heal my broken spirit"
And somehow Jesus came and brought to me the victory

D I heard about a mansion, He has build for me in **G** glory,
And I heard about the streets of gold, beyond the crystal sea
D About the angels singing, and the old redemption story
And some sweet day I'll sing up there the song of victory.
