F G C Am

## All over the world

G D  
All over the world the spirt is moving  
G  
All over the world as the prophet said it will be, Hallelujah  
C  
All over the world there is a mighty revelation  
G D G  
Of the glory of the Lord, as the waters cover the sea  
  
Deep down in my heart the spirt is moving  
Right here in this place the spirt is moving

## Amazing Grace

D G D A  
Amazing grace how sweet the sound, that saved a wretch like me  
D G D A D  
I once was lost but now I'm found, was blind but now I see

It was grace that taught my heart to fear, and grace my fears relieved  
How precious did that grace appear, the hour I first believed

Thru many dangers, toils and snares, I have already come  
This grace hath brought me safe thus far, and grace will lead me home

When we've been there ten thousand years, bright shining as the sun  
We've no less days to sing God's praise, than when we first begun

Praise God, Praise God, Praise God, Praise God, Praise God, Praise God, Praise God  
Praise God, Praise God, Praise God, Praise God, Praise God, Praise God, Praise God

## **Because He lives**

E A  
God send His Son, they called Him Jesus  
E B7  
He came to love, heal and forgive  
E A  
He gave His live, to buy my pardon  
E B7 E  
An empty grave is there to prove, My Savior lives

*Because He lives, I can face tomorrow  
Because He lives, all fear is gone  
Because I know, yes, I know who holds the future  
And life is worth the living, just because He lives*

How sweet to hold a newborn baby?  
And feel the pride and joy it gives  
But greater still the clam assurance  
This child can face uncertain days, because He lives

And then one day I'll cross the river  
And fight life's final war with pain  
And then as death gives way to victory  
I'll see light of glory and, I'll know He lives

## **Breath on me**

A E  
Breathe on me, Breath of God, fill me with life anew;  
A D A E A  
That I may love what Thou dost love, and do what Thou would do.

Breathe on me, Breath of God, until my heart is pure;  
Until my will is one with Thine, to do and to endure.

Breathe on me, Breath of God, till I am wholly Thine;  
Until this earthly part of me, glows with Thy fire divine.

Breathe on me, Breath of God, so, shall I never die;  
But live with Thee perfect life, of Thine eternity.

## Die Here is my Herder

Die Here is my Herder, niks sal my ontbreek nie  
Hy laat my neerlê in groen weivelde,  
Na waters waar rus is, lei Hy my heen,  
Na waters waar rus is, lei Hy my heen,  
Baie diep haal Hy my uit, baie diep haal Hy my uit  
Hy plaas my voete op die ewige Rots, baie diep haal Hy my uit

A E B7 E  
*Redeemed, redeemed His child and forever I am*

Redeemed and so happy in Jesus, no language my rapture can tell  
I know the light of His presence, with me doth continually dwell

I know I shall see in His beauty, the King in whose law I delight  
Who lovingly guarded my footsteps, and giveth me songs in the night

I know there's a crown that is waiting, in yonder bright mansions for me  
And soon with the Spirits made perfect, at home with the Lord I shall be

G C G D G

D G D G  
Let the waters and the blood, from Thy river side which flowed  
C G D G  
Be of sin the double cure, cleanse me from its guilt and power

Not the labors of my hands, can fulfill Thy laws demand  
Could my zeal no respite know, Could my tears forever flow  
All my sin could not atone, though must save, and Thou alone

Nothing in my hands I bring, simply to Thy cross I cling  
Naked, come to thee for dress, helpless, look to Thee for grace  
Foul, I to the fountain fly, wash me, Savior, or I die

While I draw this fleeting breath, when my eyelids close in death  
When I soar through tracts unknown, see Thee on Thy judgment throne  
Rock of Ages, cleft for me let me hide myself in Thee

## The Old Rugged Cross

D G  
On a hill far away, stood an old rugged cross,  
A D  
The emblem off suffering and shame  
G  
And I love that old cross, where the dearest and best  
A D  
For a world of lost sinners was slain

A D G D  
So I'll cherish the old rugged cross, till my trophies at last I lay down  
D7 G D A D  
I will cling to the old rugged cross, and exchange it some day for a crown

O the old rugged cross, so despised by the world  
Has a wondrous attraction for me  
For the dear Lamb of God, left His glory above,  
To bear it to dark Calvary

In the old rugged cross, stained with blood so divine  
A wondrous beauty I see  
For t'was on that cross, Jesus suffered and died  
To pardon and sanctify me

To the old rugged cross, I will ever be true  
It's shame and reproach gladly bear  
Then He'll call me someday / to my home far away  
Where His glory forever I'll share

The big ships just don't pass this way anymore, there's no use in it standing around

I heard an old, old story, how the Saviour came from glory  
E A  
How He gave His life at Calvary, to save a wretch like me  
D G D  
I heard about His groaning, of His precious blood's atoning  
A D  
Then I repented of my sins and won the victory

D G D  
*Oh, victory in Jesus, my Saviour for ever*  
E A  
*He sought me and brought me with His redeeming blood*  
D G D  
*He loved me ere I knew Him and all my love is due Him*  
A D  
*He plunged me to victory, beneath the cleansing flood*

I heard about His healing, of His cleansing power revealing  
How He made the lame to walk again, and caused the blind to see  
And then I cried, "Dear Jesus, come and heal my broken spirit"  
And somehow Jesus came and brought to me the victory

I heard about a mansion, He has build for me in glory,  
And I heard about the streets of gold, beyond the crystal sea  
About the angels singing, and the old redemption story  
And some sweet day I'll sing up there the song of victory.

## Who is He

E A E B7  
Who is He in yonder stall, at whose feet the Sheperd's fall?

E B7 E  
'Tis the Lord, oh wondrous story, 'Tis the Lord the King of glory  
A E B7 E  
At His feet we humbly fall, crown Him, crown Him Lord of all

Who is He in deep distress, fasting in the wilderness?  
Who is He the people bless, for His words of gentleness?  
Who is He to whom they bring, all the sick and sorrowing?

Who is He who stands and weeps, at the grave where Lazarus sleeps?  
Who is He the gathering throng, with loud triumphant song?  
Lo, at midnight, who is He who prays in dark Gethsemane?

Who is He on yonder tree, dies in grief and agony?  
Who is He who from the grave, comes to succor, helps and saves?  
Who is He who from His throne, rules through all the worlds alone?

### Another Soldier Down

A D A E  
We're in a mighty, conflict here, the army of the Lord  
A D A D E A  
We must join forces, standing tall, and lean upon His word

The enemy, is now in fear, and bravely circles round  
A D A D E A  
Then comes the cry, from the battlefield, another soldier down

Go then with haste, stand by his side, and lend your strength once more

Through the love of my Father, a life reconciled

## How long has it been

Oh, how long has it been since you talked with the Lord,  
And told Him your heart's hidden secret?  
How long since you prayed, how long since you stayed,  
On your knees till the light shone through?

How long has it been since your mind felt at ease?  
And how long since your heart knew no burden?  
Can you call Him your friend, how long has it been?  
Since you knew that He cared for you?

Oh, how long has it been since you knelt by your bed,  
And prayed to the Lord up in heaven?  
How long since you knew, That He'd answer you,  
And would keep you the long night through?

How long has it been since you woke with the dawn?  
And felt that the days' worth the living?  
Can you call Him your friend, how long has it been?  
Since you knew that He cared for you?

## One day to late

<sup>C</sup>  
I never thought I'd see the day, when you'd come to kneel and pray,  
<sup>G</sup>  
I never thought that I would see, the churches filled to capacity,  
<sup>C</sup>  
And still outside the door there's more, who've never been before  
<sup>F</sup>  
Oh, wat a shame, Jesus came, one day before  
<sup>C</sup>      <sup>G</sup>      <sup>C</sup>

<sup>F</sup>  
*And you came, one day to late, one day to late,*  
<sup>C</sup>      <sup>G</sup>  
*Jesus came, and you've been left behind the gate,*  
<sup>C</sup>      <sup>F</sup>  
*Yesterday you couldn't find, time for Jesus on your mind*  
<sup>C</sup>      <sup>G</sup>      <sup>C</sup>  
*You finally came, to call His name, but one day to late*

You tried to live the best you could, tried to do the things you should,  
But when it came to serving God, you said "I still have time to wait",  
But now it's all been turned around, time for serving God you've found  
How sad the fate, you found the time, but one day to late

## Te Laat

<sup>C</sup>      <sup>F</sup>      <sup>C</sup>      <sup>G</sup>      <sup>C</sup>  
Iemand sal klop aan die heerlike poort, iemand sal roep as daar niemand meer hoor

<sup>F</sup>      <sup>C</sup>      <sup>G</sup>      <sup>C</sup>  
*Haas jou die tyd gaan verby, gaan nou voort, gaan in by die heerlike poort*

Iemand sal staan voor die groot oordeels troon, daar word geheime van sonde getoon  
Sondige woorde, gedagtes word daar, die dag gewis openbaar

Droewig om daar onbereid heen te gaan, sonder genade voor God te gaan staan  
Dan sal jy hoor wat die Heiland besleg, gaan weg vervloektes gaan weg

## **The family of God**

I'm so glad I'm a part, of the family of God *E7*  
*A7*  
I've been washed in the fountain, cleansed by his blood *D*

Joint hands with Jesus, as we travel this side  
*A7* *D*  
For I'm part of the family, the family of God

*D*  
You will notice we say brother, and sister round here  
*A7* *D*  
It's because we're a family, and these are so near  
When one has a heartache, we all share the tears  
*A7* *D*  
And rejoyce in each victory, in this family so dear

From the door of an orphanage, to the house of a King  
No longer an outcast, a new song to sing  
From rags unto riches, from the weak to the strong  
I'm not worthy to be here, but praise God I belong

## **This world is not my home**

This world is not my home, I'm just a-passin' through,

The angels beckon me from heaven's open door,  
*A7* *D*  
And I can't feel at home in this world anymore.

Oh Lord, you know I have no friend like you;  
If heaven's not my home, then Lord, what will I do.  
The angels beckon me from heaven's open door,  
And I can't feel at home in this world anymore.

Jy veruil, dalk jou hoop, op die Hemel daar bo  
vir plesier, se genot volle maat  
Vir aantreklikheid skoon, deur die sonde vertoon  
Maar bereken, wat dit hierna, sal baat

O, die deur, van genade, is nog vir jou oop  
Voor Sy liefde, jou ewig verlaat  
Steek jou hand uit na Hom, fluister nou, Heer ek kom  
Ek bereken, wat dit hierna, sal baat

*How marvellous! How wonderful, is my Saviour's love for me!*

For me it was the garden, He prayed, "Not My will, but Thine;"  
He had no tears for His own griefs, but sweat-drops of blood for mine.

In pity angled beheld Him, and came from the world of light,  
To comfort Him in the sorrows, He bore for my soul that night.

He took my sins and my sorrows, He made them His very own;  
He bore the burden to Calvary, and suffered and died alone.

When with the ransomed in glory, His face I at last shall see,  
It will be my joy thru the ages, to sing of His love for me.

## **IS NOT THIS THE LAND OF BEULAH?**

<https://youtu.be/NrfcCYE9oRk>

D G D A D  
"I am dwe-lling on the mountain, where the gol-den sunlight gleams

G D A D  
O'er a land, of wondrous beauty, far exceeds, my fondest dreams

A D G D A D G D  
Where the air, is pure ethereal, laden with, the breath of flow'rs

G D A D  
They are bloo-ming by the fountain, 'neath the a-maranthine bow'rs

G D A D  
I can see, far down the mountain, where I wan-dered weary years

G D A D  
Often hin-dered on my journey, by the gho-sts of doubts and fears

A D G D A D G D  
Broken vows, and disappointments, thickly sprin-kled all the way

G D A D  
But the Spirit, led unerring, to the land, I hold today

G D G D  
*Is not this, the land of Beulah? blessed blessed, land of light*

G D A D  
*Where the flowers, bloom forever, and the sun, is always bright!*

I am drin-king from the fountain, where I e-ver would abide

For I've ta-sted life's pure river, and my soul, is satisfied

There's no thir-sting for life's pleasures, nor ado-rning rich and gay

For I've found, a greater treasure, one that fa-deth, not away

Tell me not, of heavy crosses, nor of bur-dens hard to bear

For I've found, this great salvation, makes each bu-rden light appear

And I love, to follow Jesus, gladly cou-nting all but dross

Worldly ho-nors all forsaking, for the gl-ory of the cross
